Wedding Information for Non-Members

A Caring Church
Committed to Spirituality, Community
& Justice

Wedding Services at NACC

Noted for its classic elegance and beauty, National Avenue Christian Church is located near the center of town at Sunshine and National Avenue.

At National Avenue Christian Church, we welcome non-member weddings. In fact, NACC has been a source of many happy memories for the non-member couples who have been married here over the years.

National Avenue Christian Church is a warm, welcoming and safe place for all people who are committing their lives to each other, regardless of race, creed, religion, or cultural background.

If you are interested, contact the church or visit our website to find out more about how you can be married here.

The Sanctuary comfortably seats 300 guests.

Ministerial Services

If you have a specific clergy member or another qualified official you want to preside over your wedding ceremony, you are welcome to use their services. National Avenue's Senior Minister, Pastor Laura Fregin is also available to perform your wedding ceremony. If you would like for her to preside at your wedding, she does ask that both the bride and groom meet with her for a series of pre-marital counseling sessions so that she can get to know you better prior to the service.

Other Events and Celebrations

National Avenue Christian Church makes space available for other important commemorative events in your life. If you have a wedding anniversary, a baby shower or christening, or some other celebration or social reception that you'd like to hold in our beautiful space, we'd be very happy to discuss these opportunities with you.

NACC Fellowship Hall provides a great reception space.

Our kitchen facility is available for simple food preparation and staging by caterers.

We have three primary spaces to meet your needs:

Sanctuary	300 people
Chapel	25-30
Fellowship Hall	125-175

The Chapel is a perfect space for intimate ceremonies.
